1. Lis le texte suivant puis, à l'aide d'un dictionnaire bilingue, traduis-le.

Big Ben : "Big Benjamin" is the nickname of a bell that rings in the clock tower in London (England). Officially, the real name of the tower is "Clock Tower". However, most people, including those that live in London, call the tower "Big Ben," because it is very large.

As a tribute to the Diamond Jubilee of Queen Elizabeth II the Clock Tower was renamed to *Elizabeth Tower* in September 2012.
